

# AFRICAN-AMERICAN STORYTELLING

Story telling is an ancient art form. Many cultures have preserved their history by the oral transmission of information. Oral history is the major focus of storytelling.

Also, storytelling facilitates learning and provides entertainment.

This African Storytelling Program fulfills all three purposes:

**Oral History Learning Entertainment**

The age appropriate program is fast-paced and packed with positive, exciting information and activities. It includes a participative mode that gives the audience an opportunity to personally experience one of the stories.

**Assembly Performances (45 minute program) Student Size Pricing - \$400 to \$750**

**Public Library Performances (45 minute program) - \$75**

**Summer Camp Performances (45 minute program) - \$75**

**Personalized Birthday Party Program (30 minute program) - \$50**
